

Curriculum Vitae – William B. Hobbins, M.D.

Background:

Born – August 16, 1924 – Madison, Wisconsin
Married – 9 Children
Nationality – Scotch, English, German
Religion – Christian – 1963

Civic Activities:

Councilman – Maple Bluff, Wisconsin – 1955-1959
Senior Warden – Grace Episcopal Church – 1963-1965
Commodore – Mendota Yacht Club – 1965-1967
Founder and President – Christ the King Home for Boys and Girls – 1967-1974
President – Wisconsin Ballet Company – 1968-1973
Commissioner – Madison Civic Center – 1975-1978

Education:

Madison Public Schools
University of Wisconsin, BSMD – 1945
Northwestern University, MD – 1946
Northwestern University, 16 credits M.S. – Pathology

Training:

Internship – Cook County Hospital, January 1947 – December 1947
Surgical Residency – Jackson Clinic – Wisconsin, January 1948 – July 1948
Surgical Residence – Cook County Hospital, 1948-1951

Practice:

Surgical Group, 1951-1976
Breast Cancer Detection Center, 1971 – Present

Military Service:

U.S.N.R – Ensign, 1943 – 1948 – Honorable Discharge
U.S. Army – Captain, 1952 – 1954 – Honorable Discharge
Assistant Chief Thoracic Surgery, U.S.A.H., Fort Carson, Colorado

Teaching Position:

Assistant Clinical Professor, University of Wisconsin, 1957 – 1968

Curriculum Vitae – William B. Hobbins, M.D.

Hospital Appointment:

Staff – Surgical, Madison General Hospital – 1951-1969
Staff – Surgical, Methodist Hospital – 1965-1975

Consulting Surgeon:

Watertown General Hospital 1958-1976
Beaver Dam Hospital 1955-1976
Ft. Atkinson Memorial Hospital 1958-1980
Darlington Memorial Hospital 1964-1976

Board Certification:

Diplomat, American Board of Surgery – 1954

Medical Societies:

Founder of Junior Member International College of Surgeons – 1951
Fellow of American College of Surgeons – 1953-1980
Fellow of International College of Surgeons – 1953
Cook County Hospital Alumni Association – 1961
Member – Wisconsin Chapter of American College of Surgeons – 1969
Founder, Karl Meyer Surgical Society – 1971
Christian Medical Society – 1972
American Thermographic Society – 1972
European Thermographic Society – 1972
International Health Evaluation Association – 1974
Club Francais De Telethermographie Clinique – 1976
International Society of Senology – 1976
Canadian Thermographic Society – 1976
International Thermology Society – 1979
New York Academy of Science – 1979
International Society for the Study of Pain – 1981
Liquid Crystal Contact Thermography Society of the Breast, Inc. – 1982
American Pain Society – 1982
Midwest Pain Society – 1982
Elected as alternate delegate – Christian Medical Society – 1982
Liquid Crystal Contact Thermography Society of the Spine & Extremities – 1983
Chilean Mastology Society – 1984
Latin America Thermography Society – 1984
Elected Honorary Fellow – American Academy of Thermology – 1984
Elected Honorary Member – Japanese Thermographic Society – 1985
Member – Academy of Neuro-Muscular Thermography – 1985
Member – American Back Society – 1986
Member – The American Society of Regional Anesthesia – 1987

Curriculum Vitae – William B. Hobbins, M.D.

Member-at-Large – American Academy of Thermology - 1988
President – American Herschel Society
Member – American Academy of Pain Medicine

Medical Organizations:

President – Dana County Chapter of American Cancer Society – 1962-1965
Chairman – Dane County Chapter of American Cancer Society – 1965-1968
Founder – Madison General Hospital, Medical-Surgical Foundation Secretary – 1959-1969
President – Madison Breast Cancer Detection Center – 1973
Founder & President – Wisconsin Breast Cancer Detection Foundation – 1976
Secretary/Treasurer – Karl A. Meyer Surgical Society – 1976
Director – Thermal Image Analysis, Inc. – 1979
Director – Madison Pain Diagnostic Clinic – 1980
Director – Liquid Crystal Contact Thermography Society of the Breast – 1982
Technical Consultant – California Thermographic Society – 1986
Board of Directors – American College of Thermography – 1989

Analysis of Thermal Class Th 5 Examinations in 37,050 Thermograms; Part II: Significance of Factors Neuromusculoskeletal Examinations: Indications, Results, Significance in 3150 Examinations
- Flexi-Therm Training Program – London, England – June 17-19, 1985
Neuromusculoskeletal System Breast Thermography
- Japanese Thermographic Society – Tokyo, Japan – June, 1985 – Invited Speaker – Liquid Crystal Thermography Orientation
- Nippon Medical School Daiichi Hospital – Tokyo, Japan – June, 1985
Differential Diagnosis of Pain Breast Cancer and Thermography
- Catholic Medical College and Center – Seoul, Korea – June, 1985
Differential Diagnosis of Pain Breast Cancer and Thermography
- Head and Neck Challenge '85 – Milwaukee, Wisconsin – October 10, 1985
Does Thermography Review Additional Information in Head and Neck Disease?
- Breast Diseases IVth International Congress on Senology – Paris, France – September 1-4, 1986
Double-Blind Study of Effectiveness Transcutaneous Progesterone in Fibrocystic Breast Conditions Monitored by Thermography
- Second Annual Meeting of Academy of Neuro-Muscular Thermography – Orlando, Florida – September 26-28, 1986

Curriculum Vitae – William B. Hobbins, M.D.

Common Technical and Interpretive Problems with Tele-electronic and Liquid Crystal Contact Thermography

American Pain Society Sixth General Meeting – Washington, D.C. – November, 1986

Thermographic Significance in a Pain Center (Poster Presentation)

American Academy of Thermology 16th Annual Meeting – Minneapolis, Minnesota – June 26-28, 1987

Thermographic Recording of Cutaneous Blood Flow During Exercise and Cool Down (Poster Presentation)

Fifth World Congress on Pain (International Association for the Study of Pain), Congress Centrum – Hamburg, Germany – August 2-7, 1987 – Chairman of the luncheon session

Thermography in Peripheral Neuropathy

Differential Diagnosis of Somatic Pain by Thermography

Thermographic Neuromusculoskeletal Examinations: Significance in 600 Consecutive Exams

Medical Exhibits:

Brest Cancer Screening with Mammography

Wisconsin Medical Society Meeting – Milwaukee, Wisconsin Special Award

Brest Cancer Screening with Mammography

Wisconsin Medical Society Meeting – Milwaukee, Wisconsin – 1971

Thermographic Breast Cancer Screening

Wisconsin Medical Society Meeting – Milwaukee, Wisconsin – 1972

Mass Mobile Breast Cancer Screening with Thermography

American College of Surgeons – San Francisco, California – 1975

Mass Mobile Breast Cancer Screening with Thermography

American Medical Association Meeting – Dallas, Texas – 1976

Importance of Breast Thermography

21st National Conference on Breast Cancer (sponsored by the American College of Radiology) – Honolulu, Hawaii – March, 1984

Differential Diagnosis of Pain by Thermography

Thermal Image Analysis Laboratory, Thermal Image Analysis and Flexi-Therm, Inc. sponsored seminars: Chicago, Illinois – November 1984; Houston, Texas – February, 1985; San Francisco, California – March, 1985; New York, New York – June, 1985; Atlanta, Georgia – September, 1985; Chicago, Illinois – November, 1985; Lake Buena Vista, Florida, February, 1986; Acapulco, Mexico – March, 1986; San Francisco, California – June, 1986; Chicago, Illinois – October, 1986; Washington, D.C. – January, 1987; New Orleans, Louisiana – March, 1987; San Diego, California – June, 1987

Symposiums and Seminars:

Organizer and Program Chairman – First Annual Mid-American Breast Cancer Symposium – Madison, Wisconsin – 1975

Organizer and Program Chairman – Second Annual Mid-American Breast Cancer Symposium – Madison, Wisconsin – 1976

Program Chairman – American Thermographic Society, Toronto, Canada March, 1979

Workshop Participant – Macro – and Microscopic Modeling of Health and Mass Transfer in Biological Systems – University of Illinois at Urbana-Champaign – April, 1983

Invited Participant – Early Breast Cancer Detection Seminar – Houston, Texas – May, 1983

Invited Participant – NCI – Breast Cancer Task Force Meeting – Bethesda, Maryland – September, 1983

Invited Participant – Hospital Program – Breast Thermography 1983 - San Angelo, Texas – November, 1983

Curriculum Vitae – William B. Hobbins, M.D.

Invited Participant – Comprehensive Symposium on Breast Disease – Bowman Gray School of Medicine, Wake Forest University, Winston-Salem, North Carolina - December, 1983

Invited Participant – 21st National Conference on Breast Cancer sponsored by the American College of Radiology – Honolulu, Hawaii – March, 1984

Participant – International Thermographic Society, Second Annual Symposium – Chicago, Illinois – July 28-29, 1984

Participant – IVth World Congress on Pain – Seattle, Washington – August 31 – September 5, 1984

Invited Participant – Third Comprehensive Symposium on Breast Diseases – Bowman Gray School of Medicine, Wake Forest University, Winston-Salem, North Carolina – December 6-8, 1984

Participant – First Annual Meeting of Academy of Neuro-Muscular Thermography – Dallas, Texas – May 5-7, 1985

Seminar Chairman – “Breast Anatomy and Physiology by Thermography” Dallas, TX – October, 1979; Chicago, IL – November, 1979; Madison, WI – January, 1980; Chicago, IL – March, 1980; Washington, D.C. – May, 1980; Boston, MA – June, 1980; San Diego, CA – August, 1980; Tampa, FL – October, 1980

Invited Speaker – 11th Scientific Meeting of the Midwest Pain Society; “Controversies in Contemporary Pain Management”; Milwaukee, Wisconsin – May 8-9, 1987; “Thermography – An Effective Tool in Diagnosis of Pain”

Participant – 3rd Annual Academy of Neuro-Muscular Thermography Meeting – San Francisco, California – September 18-20, 1987 for Dr. Wexler.

Participant – 19th Annual Hungarian Medical Association of America Meeting – Sarasota, Florida – October 25-30, 1987

Participant – The 2nd Annual International Conference of Neuropathic and Musculoskeletal Pain – November 4-6, 1987 – Valley Stream, New York

Speaker – Scientific and Technical Conference – Tampa, Florida – May 6-7, 1989 – Dr. Rockley

Participant – First International Symposium on Myofascial Pain and Fibromyalgia – Minneapolis, Minnesota – May 8-10, 1989

Speaker – 18th Annual American Academy of Thermology, “United for Progress” – Washington, D.C. – May 18-21, 1989

Participant – Sixth Annual Pain Symposium – Lubbock, Texas – June 3-4, 1989 – Texas Tech University Health Sciences Center

Speaker – Thermography Series Seminar – Plano, Texas – August 4-5, 1989 – Physicians Academy

Invited Speaker – American Chiropractic Thermographic Society “Basic Neurophysiology of Thermography” – Orlando, Florida – August 11-13, 1989

Speaker – Scientific and Technical Conference – Tampa, Florida – August 13, 1989 – Dr. Graham Rockley

Speaker – RSDS Informational Meeting – Madison, Wisconsin – September 13, 1989

Participant – American Academy of Neuromusculoskeletal Thermography – Orlando, Florida – September 20-24, 1989

Participant – American Pain Meeting – Phoenix, Arizona – October 25-28, 1989

Seminar Chairman – American Herschel Society – Phoenix, Arizona – October 27, 1989

Participant – Hungarian Medical Association of America Meeting – Sarasota, Florida – October 29 – November 3, 1989

Co-Chairman – Inter Pacific Ventures, Ltd. – Los Angeles, California – November 26, 1989

Co-Chairman – Inter Pacific Ventures, Ltd. – Los Angeles, California – January 21, 1990

Participant – International Pain Control Conference – Cancun, Mexico – February 13-17, 1990

Speaker – Southeastern Neurosciences Conference – “Pain: It’s Autonomic Correlates – The Role of Thermography” – San Francisco, California – March 2-4, 1990

Invited Speaker – American Chiropractic Thermographic Society & International Academy of Clinical Thermography Joint meeting – Orlando, Florida – March 10-11, 1990

Speaker – 6th World Congress of Pain – Adelaide, Australia – April 1-6, 1990

Participant – American Academy of Thermology Annual Meeting – New York, New York – May 11-13, 1990

Curriculum Vitae – William B. Hobbins, M.D.

Speaker – 7th Annual Pain Symposium – Lubbock, Texas – June 2-3, 1990 – Texas Tech University Health Sciences Center
Speaker – Cleveland Chiropractic Clinic – Los Angeles, California – June 9-10, 1990
Co-Chairman – Inter Pacific Ventures, Ltd. – Los Angeles, California – July 1, 1990
Speaker – Thermography Series Seminar – Plano, Texas – August 10-12, 1990 – Physicians Academy
Speaker – Southeastern Neurosciences Seminar “Thermography for Healthcare Professionals” – Jacksonville, Florida – August 17-19, 1990
Co-Chairman – Inter Pacific Ventures, Ltd. – Los Angeles, California – August 20, 1990
Invited Speaker – International Thermographic Society – Orlando, Florida – October 13-14, 1990
Invited Speaker – International Academy of Clinical Thermography – Las Vegas, NV – October 19-21, 1990
Participant – American Pain Society – St. Louis, Missouri – October 25-28, 1990
Speaker – Hungarian Medical Association of America Meeting – Sarasota, Florida – October 28 – November 2, 1990

Customized Thermography Seminars:

Advanced Breast Thermography – Madison, Wisconsin - January 17, 1984 – Dr. Martin Baer
Thermography and the Breast – Shreveport, Louisiana, CDP Foundation – February 6, 1984 – Dr. James Phillips
Flexi-Therm Equipment In-Service – Mayfield Heights, Ohio – February 23, 1984 – Dr. Ronald Ross
Advanced Breast Thermography – Madison, Wisconsin – February 28, 1984 – Dr. Hugh Mullin and Dr. Thomas Sanford
Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – May 1, 1984 – Don Olsen and Luther Klotch
Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – May 29, 1984 – Mark Leszczyneki, R.T.
Neuromusculoskeletal Thermography Workshop – Tampa, Florida – July 7, 1984 – Dr. Arthur Pasach, et al.
Advanced Neuromusculoskeletal Thermography – Fresno, California – July 25, 1984 – Thermal Diagnostic Laboratories
Advanced Breast Thermography – Las Vegas, Nevada – July 26, 1984
Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – August 28, 1984 – Dr. Richard Esenberg and Dr. Toby Watkinson
Basic Neuromusculoskeletal Thermography – Dallas, Texas - July 18-19, 1986 – Physician’s Academy (Dr. William Kelly)
Technician Training – Madison, Wisconsin – July 24, 1986 – Henry Press, D.C.
Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – July 25, 1986 – Henry Press, D.C.
Advanced Breast Thermography – Madison, Wisconsin – August 1, 1986 – Dr. Jay Appurao
Neuromusculoskeletal Thermography Seminar – Sundance, Wyoming – August 14, 1986 – Dr. David McAfee Group
California Thermographic Society – Los Angeles, California – November 15-16, 1986 – Annual Symposium
Neuromusculoskeletal Thermography – Miami, Florida – November 22-23, 1986 – Ramon de Guzman, Flexi-Therm Rep.
Technician Training – Madison, Wisconsin – December 4, 1986 – Joyce Hertel
Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – December 5, 1986 – Dr. Harold Farris and Dr. David Conger
Advanced Nefuromusculoskeletal Thermography – Madison, Wisconsin – January 16, 1987 – Dr. Michael Courtney and Dr. Reza Azar
Technician Training – Madison, Wisconsin – January 29, 1987 – Yvonne Klatt-Barsano
Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – April 10, 1987 – Dr. Yongil Kim
Technician Training – Madison, Wisconsin – April 16, 1987 – Donald Bagnall

Curriculum Vitae – William B. Hobbins, M.D.

Basic Neuromusculoskeletal Thermography – Los Angeles, California – April 25-26, 1987 – Dr. Stephen Robert's Group

Neuromusculoskeletal Thermography Interpretation – Macon, Georgia – May 16-17, 1987 – Pain Evaluation Center (Dr. Sam Mandel's Group)

Breast Thermography Seminar – Madison, Wisconsin – May 22, 1987 – Dr. Ross Stockwell

Technician Training – Madison, Wisconsin – July 2, 1987 – Med/Law Labs: Patricia McMahon and Karen Palm

Basic Neuromusculoskeletal Thermography – Dallas, Texas – July 10-11, 1987 – Physician's Academy (Dr. William Kelley)

Basic Neuromusculoskeletal Thermography – Chicago, Illinois – July 14, 1987 – Med/Law Labs

Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – July 17, 1987 – Zeynep Karasu, M.D.

Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – August 28, 1987 – Deepika Bajaj, M.D.

Basic Neuromusculoskeletal Thermography – Mt. Pleasant, Pennsylvania – September 16, 1987 – Frick Community Health Center Group

Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – September 25, 1987 – Dr. Patrick M. Casey

Technician Training – Madison, Wisconsin – October 22, 1987 – Ms. Angelita B. Nepomuceno

Basic Neuromusculoskeletal Thermography – Houston, Texas – December 17-18, 1987 – Dr. P. Prithvi Raj

Technician Training – Madison, Wisconsin – September 13, 1984 – Donna Dunlap

Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – September 25, 1984 – Dr. Richard Huff and Dr. Steven Goff

Differential Diagnosis of the Causes of Neuromusculoskeletal Thermography – San Francisco, California – September 29, 1984 – Pate Wahl and Associates

Medical/Legal Thermography – Detroit Michigan – December 13, 1984 – Ford Motor Company Legal Counselor Staff

Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – January 29, 1985 – Dr. Michael Grefer, Dr. Marvin Kidd, and Dr. Russ Johnson

Basic Neuromusculoskeletal Thermography – Fort Myers, Florida – February 9, 1985 – Neurology Associates of Lee County

Technician Training – Madison, Wisconsin – February 21, 1985 – Mary Gunn and Mary Dennis

Technician Training – Madison, Wisconsin – April 18, 1985 – Darla Fletcher, Donald Dyle, M. Luther Kloth

Technician Training – Madison, Wisconsin – May 2, 1985 – Donna Bachman

Advanced Neuromusculoskeletal Thermography – May 21, 1985 – Dr. John Rupolo

Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – July 16, 1985 – Dr. Tal J. Park

Technician Training – Madison, Wisconsin – July 18, 1985 – Jody CoBabe

Technician Training – Madison, Wisconsin – December 12, 1985 – Sara Cser

Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – December 6, 1985 – Dr. David Knapp, Dr. A. Robert Massam, Dr. Richard Gorski, Dr. Paul Flaggman, Dr. Fred J. Quatro

Technician Training – Madison, Wisconsin – March 21, 1986 – Two technicians from Dr. William Bauer's Office

Neuromusculoskeletal Thermography Seminar – Newark, New Jersey – April 5-6, 1986 – Thermographic Services of New Jersey (Dr. Schneider)

Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – April 18, 1986 – Dr. Bruce Miller and Dr. Robert Friedman

Technician Training – Madison, Wisconsin – April 18, 1986 – Two technicians from Dr. Friedman's Office

Neuromusculoskeletal Thermography Interpretation – Los Angeles, California – April 25-26, 1986 – Eleventh Avenue Medical Group (Elizabeth Moon)

Basic Concepts and Indications for Neuromusculoskeletal Thermography – Farmington, Connecticut – May 9, 1986 – Orthopedic Surgery Department, University of Connecticut Health Center

Technician Training – Madison, Wisconsin – June 26, 1986 – Lynn Stewart (Dr. Sam Mandel's Office)

Curriculum Vitae – William B. Hobbins, M.D.

Basic Neuromusculoskeletal Thermography – New Stanton, Pennsylvania – February 13, 1988 – Requested by Robert Bodnar, Flexi-Therm Representative

Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – May 27, 1988 – Dr. John Hague

Basic Neuromusculoskeletal Thermography – Lubbock, Texas – July 8-10, 1988 – Physician’s Academy (Dr. William Kelly)

Technician Training – Madison, Wisconsin – November 15, 1988 – Kelly M. Brady

Technician Training – Madison, Wisconsin – November 29, 1988 – Debra Shipe and Brenda Webster

Technician Training – Madison, Wisconsin – December 2, 1988 – Alice Samuel and Brenda Linsey

Technician Training – Madison, Wisconsin – January 19, 1989 – Connie Shackelford

Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – January 20, 1989 – Dr. Randy Moelter and Dr. Rachna Mehra

Technician Training – Madison, Wisconsin – May 11, 1989 – Margaret Dieck

Technician Training – Madison, Wisconsin – July 12, 1990 – Joan McDonough and Kain Ang

Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – July 13, 1990 – Dr. Ying-Yang Tsai

Specialized Training Seminar – Cleveland, Ohio – August 21-22, 1990 – Dr. Michael Stanton-Hicks and Staff – Cleveland Clinic

Specialized Training Seminar – Cleveland, Ohio – August 23, 1990 – Dr. Patel and Staff

Technician Training – Madison, Wisconsin – September 20, 1990 – Lynnette Roberston, Pamela Sockel and Robert Tomas

Advanced Neuromusculoskeletal Thermography – Madison, Wisconsin – September 21, 1990 – Dr. John Ortolani, Dr. R. Arian, Dr. J.M. Baron and Robert Thomas

Medical Consultant:

Columbian National Cancer Institute – ongoing consultant for establishment of Mass Breast Cancer Screening Program, South America – 1978

Spectotherm – San Jose, California – 1972 – 1974

General Electric – Waukesha, Wisconsin – 1974 – 1974

Vectra Corporation – Dayton, Ohio – 1976 – 1982

Dorex Corporation – Orange, California – 1978 – 1984

American Thermal Instruments, Inc. – Dayton, Ohio – 1982 – present

Flexi-Therm, Inc. – Westbury, New York – 1982 – present

Seminar Chairman – “Breast Anatomy and Physiology of Thermography:

(Continued)

Washington, D.C. – January, 1981; Denver, CO – March, 1981; New York, NY – May, 1981; San Francisco, CA – July, 1981; Atlanta, GA – September, 1981; Dallas, TX – November, 1981; Los Angeles, CA – February, 1982;

Washington, D.C. – April, 1982; Madison, WI – June, 1982; Washington, D.C. – October, 1982; Santa Monica, CA – November, 1982; Madison, WI – January, 1983; Madison, WI – April 1983; Madison, WI – September, 1983; Madison, WI – January, 1984; Madison, WI – March, 1984; Madison, WI – May, 1984; Madison, WI – July, 1984;

Curriculum Vitae – William B. Hobbins, M.D.

Chicago, IL – November, 1984; Houston, TX – January, 1985; New York, NY – June, 1985; Atlanta, GA – September, 1985

Seminar Chairman – TIA Neuromusculoskeletal, Medical/Legal and Technician Training Thermography Seminars:

Chicago, IL – November 16-17, 1984; Houston, TX – February 1-2, 1985; San Francisco, CA – March 29-30, 1985; New York, NY – June 14-15, 1985; Atlanta, GA – September 20-21, 1985; Chicago, IL – November 22-23, 1985; Lake Buena Vista, FL – January 31 – February 1, 1986; Acapulco, Mexico – March 10-13, 1986; San Francisco, CA – June 7-8, 1986; Chicago, IL – October 11-12, 1986; Washington, D.C. – January 24-25, 1987; New Orleans, LA – March 14-15, 1987; San Diego, CA – June 6-7, 1987; Boston, MA – September 12-13, 1987; Fort Lauderdale, FL – November 14-15, 1987; San Francisco, CA – February 19-20, 1988; Dallas, TX – April 23-24, 1988; Chicago, IL – June 18-19, 1988; Chicago, IL – November 4-5, 1988; Houston, TX – January 28-29, 1989; Chicago, IL – April 8-9, 1989; Lubbock, TX – June 3, 1989; Madison, WI – August 26-27, 1989; Madison, WI – November 11-12, 1990; Atlanta, GA – January 27-28, 1990; Madison, WI – February 24-25, 1990; Tampa, FL – May 19-20, 1990; Lubbock TX – June 1, 1990

Participant – International Society for Bioengineering and the Skin – San Francisco, California – August 29 – September 2, 1985

Participant – False Positives and False Negatives in Diagnosis Through Images, Third Congress on Mastology – Buenos Aires, Argentina, September 22-26, 1985

Participant – Fifth General Scientific Meeting of the American Pain Society, Dallas, Texas – October 18-20, 1985

Participant – 15th Annual Meeting of the American Academy of Thermology, Johns Hopkins University School of Medicine, Baltimore, Maryland – June 12-15, 1986

Co-Chairman – Thermomedica '86, Fourth International Congress of the European Association of Thermology – Graz, Austria – September 10-13-86

Speaker – “Thermal Measurement and Radiometry”, September 11, 1986

Speaker – Second Albert Memorial Symposium – Greater Southeast Community Hospital, Washington, D.C. – September 17, 1986

Speaker – Thermography: A Core Course, for Thomas Ravin, M.D., Denver, Colorado – April 23-25, 1987; “How Thermography Works”; Thermography in a Thermographer’s Practice”
